## Road Construction in Decatur

Asphalt Paving Operations to begin on Lake Shore Drive (ILL 105)

The Illinois Department of Transportation announces that work will continue on Lake Shore Drive (ILL 105) from U.S Route 36 to U.S. Route 51. Weather permitting, asphalt paving of Lake Shore Drive will take place over the next three to four weeks.

Traffic will be controlled utilizing flaggers. Short term intermittent intersection closures will be required to complete the work.

The Department of Transportation thanks you for your patience and asks that you use caution in the work zone and consider using alternate routes.

Illinois Valley Paving is the prime contractor for the project and Mark Tucker is the Resident Engineer for the Illinois Department of Transportation. Questions concerning the project may be directed to Mr. Tucker @ 217/424-5116 or Bob Utz at the Effingham Office @ 217/342-3951.
